

## 2022 Tran-SET (Transportation Consortium of South-Central States) Summit on Transportation Materials-Innovation and Durability

**Date and Time:** November 1, 2022 (Tuesday) from 10:00 AM to 4:00 PM (CDT)

**Host:** Arkansas State University, Jonesboro, Arkansas

**Delivery mode:** Hybrid (In-person and online via zoom)

**Summit Location:** Holiday Inn Little Rock-Airport-Conference Center, 3201 Bankhead Drive, Little Rock, AR 7220; (501) 490-1000; The hotel website is:

<https://www.ihg.com/holidayinn/hotels/us/en/little-rock/liteb/hoteldetail>

**For Remote attendees:** zoom link along with ID will be sent to registered participants.

**Purpose:** The purpose of this summit is to brainstorm, educate, and engage transportation professionals and administrators (academics, industry professionals, state DOTs, and other government agencies) to solve transportation material challenges and problems in terms of durability through innovation and research.

**Speakers:** Speakers of six presentations on topics related to paving asphalt, concrete, and foundation materials from a diverse group of scholars & practicing engineers representing FHWA, DOTs, private sectors, and/or academia will discuss challenges, issues, and possible solutions.

**Registration:** Must register by October 15, 2022 via the following form:

[https://astate.qualtrics.com/jfe/form/SV\\_a3r91aGvMDFj81M](https://astate.qualtrics.com/jfe/form/SV_a3r91aGvMDFj81M)

Up to Four hours of Professional Development Hour (PDH) will be offered.

**Contact:** Dr. Zahid Hossain, Summit Chair & Professor of Civil Engineering at Arkansas State University at 870-680-4299 or mhossain@astate.edu; Dr. Heena Dhasmana at 225-578-0785 or transet@lsu.edu
